Thread: [Back on my PPI grind! Made \\$300+ today!](#)

**funtela** - July 16, 2016, 8:45 pm

Haven't done PPI much since I haven't really had a method or any motivation. But I started working on some things a few days ago and it's starting to pay off!

These are today's earnings so far :)

If my plan keeps working the way I hope it does I can easily scale this to over \$500-\$1k+ daily!

I'm so happy right now and I really hope this lasts!

Please do not PM me for my method.

Sent you a pm for the method, thanks man.

Anyways, congrats.

Can't say what I'm using haha. But no, I'm not using Instagram at all. Instagram has become way too much of a pain in the ass when it comes to PPI.

It's because your video is ranked well

Keep it up fam :)

I guess you're using YouTube (since that's the most common platform for CPA / PPI, except for IG).

Anyway, not here to guess/ask for your method, keep stacking ?
