Thread: [All the online currencies out there? \(btc, doge, etc\)](#)

ExpiredNumber - July 18, 2016, 11:11 am

Do you know all the online currencies (btc, doge) out there. Experienced with any of them? I'm looking into them.

Any doing well?

Humo - July 18, 2016, 11:21 am

Bitcoin is currently doing well I believe.

I like to keep things simple, sticking to bitcoin for now. I know of others but only by name. I just googled it and found this list, hope it helps you out.
