Thread: [Danny Khalifa's Middleman Service! | Free | Stop getting scammed!](#)

Danny Khalifa - July 18, 2016, 7:16 pm

T.O.S ([Click to View](#)) Always PM me for confirms before any deal.

I can refuse any deal I want.

My service is free, but you need to cover the fees of the payments.

I will not be a part of any scam reports - just because I will be used only as a middleman in the deal.

I will not be responsible at all after the deal is done.
