If I see any more fake screenshots of poor teenage kids and their cypasted old leeched shit method of a fake site adv and getting dumb kids to trade / gamble there, I will get an automated rifle and pay a visit to you all. I mean, how much before enough is enough with these dumb threads? We all know every single vouch is fake, every single post is a fake account showing interest. Move on from this, find new ways to scam. This is not only degrading, it's also a plague in this forum. It's everywhere. Dear lord.
