Thread: [Pokemon related sites - Catch your favourite Pokemon - Check server status](#)

**SIM-1729678** - July 19, 2016, 9:26 am

I wanted to make a Thread collection all Server status checking and Pokemon maps.  
IF a thread likes this already exists let me know.

Server Checkers:

<http://ispokemongodownornot.com/>  
<http://cmmcd.com/PokemonGo/>  
[http://www.mmoserverstatus.com/pokemon\\_go](http://www.mmoserverstatus.com/pokemon_go)  
<http://project-sato.net/statuschecker/>  
<http://downdetector.com/status/pokemon-go>  
<https://go.jooas.com/>

Pokemon Maps:

[\[FREE\] Live Pokmon Maps \[15 and counting Maps online\]](#)  
[Pokemon Go Spawn Map ! See every pokemons around you](#)  
<http://www.pokemonradargo.com/>  
<https://www.pokecrew.com/>  
<https://pokemapper.co/>  
<https://pokevision.com/>  
<http://pokefind.co/>

If you know any other sites let me know!

Thank you for the post, I was looking for some of these.

**frowneyface** - July 19, 2016, 9:39 am

Damn another HQ post thank you so much for putting all these together.

**Sigma** - July 19, 2016, 9:39 am

Yeah this is definitely a HQ post. I am hoping more and more servers get made that are even better than those ones. A better map would be nice to!
