Joined under same user.

Theme looks nice, and it's honestly good overall.

Get off that .pw TLD though fam :(

We have .com and .net redirects but our main .net redirect is banned on HF due to past wrongdoings.

Good work on the forum.

(Also I know some people may recognize this theme, They have permission from me to use this

theme if anyone has any questions or wants validation about this let me know and I will provide it. Just thought I would point this out before someone tries to hate on the forum over the theme)

Thank you,

Had the usual HF haters at first but we just brushed them off and now have over 6k posts and almost 400 members. We welcome you!
