Thread: [Looking for a load of Java Coders](#)

07Services - July 21, 2016, 7:14 pm

IF your a serious java coder please PM me. It's to do with RSPS forums.

Seawolph - July 21, 2016, 7:14 pm

questionmarkjoey add me :)

07Services - July 21, 2016, 9:03 pm

Added you. Look forward in speaking with you.

SippinAcid - July 22, 2016, 6:52 pm

You're looking for java coders to code forums for you? Just curious.

Stealth™ - July 23, 2016, 10:32 am

OP, forums are developed with PHP, HTML, and CSS for the most part. I recommend you look in a different section.

07Services - July 24, 2016, 5:27 am

I kinda of worded the intro of the topic a bit wrong. It's based around RSPS I already sent you a PM about talking more in depth about this.

int_Fjord - July 29, 2016, 12:40 pm

Hey man, I'm newish here but experienced with Java. Whatcha making?

domien - July 29, 2016, 6:04 pm

3 years of experience. Hit me up if you want.

TCG_Darkside - July 30, 2016, 4:31 pm

I would love to help out. Loved messing around with rsps

5ilent - August 28, 2016, 11:25 am

If you are talking about making a rsps add me, skype: silent.bytes

mrexiled - September 8, 2016, 4:35 am

been into java since 08, add me on Skype: CodyzOrrz.

I actually released a pretty good tool on here as my first post. it was all in java but removed for some reason.
