How to Roast

Welcome

Spoiler [\(Click to View\)](#)

Do you have somebody who is pissing you off so you decide "ima roast this boy" ?

If you're like most members, you do not know how to roast. You need the skill set to take on the big dogs and to face life head on and not be a lil bitch

What You'll Learn

Spoiler [\(Click to View\)](#)

You will learn how to roast anybody who decides to fuck with you, and how to recover if you're losing a roast battle.

Beginning

Hand Motion

Spoiler [\(Click to View\)](#)

This is the deciding factor in every roast to ever exist. This one hand motion will prove your points or make you look like an idiot.

There is no way to explain it, it just comes naturally.

Words

Spoiler [\(Click to View\)](#)

You have to follow this script before

you can even think about starting to roast your opponent.

"BOOOOOY, I FINNA COOK YOU NOW"

By saying "Boy" in an elongated matter, you enter your opponents brain at a level of "what" that is beyond human comprehension. The volume of the word and the shear confidence in your voice will make your opponent question he/she's validity, and possibly make them cry.

The term "I finna cook you now" is a bit tricky, so let me break it down for you:

The first part of the sentence:

"I finna" lets the audience around you know that you are about to do something, and the confidence and volume in your voice will imply that it will not be very kind. The next part "cook you now" is a play on words meaning "I will roast you now"

The word "cook" is latin for "roast"

obviously.

Time to Roast

Shoes

Spoiler [\(Click to View\)](#)

The first thing you should always roast is your opponents foot apparel as he or she is self conscious as foot coverings are a big part of the roasting lifestyle and culture.

Example Roasts:

1. FUCK OUTTA HERE WIT YO DOLLAR GENERAL LOOKIN SHOES
2. GO HOME WIT CHO KRUSTY THE CLOWN SHOES
3. YOU GOT THEM SOCCER MOM SHOES
4. those are converse
5. FUCKING UGLY ASS WALMART WASH CLOTH SHOES

Hair / Hairline

Spoiler [\(Click to View\)](#)

The hair is one of the most fragile parts of human anatomy to roast.

The way the hair is cut, and styled will decide either it's safe to go after.

Example Roasts:

1. BOY U GOT THAT SCHOOL SHOOTER HAIR CUT
2. COMB OVER? 6 MILLION-1 KD... HITLER HAIRCUT
3. GO HOME WIT CHO "may i take ur order" FUCKING HAIR
4. HOW COME YA HAIRLINE LOOKS LIKE THE NIKES LOGO?
5. HAIR LOOKIN LIKE YA MOMMAS PUFF

Weight

Spoiler ([Click to View](#))

A person weight, no matter if they are skinny or fat, they will always be vulnerable to the weight roast.

Example Roasts:

1. YA TITTIES BIGGER THAN MOST GIRLS HERE
2. YOU WALK AND YOU CLAP... THATS ALL THE APPLAUSE U GONNA GET
3. YOUR STRETCHMARKS SPELL OUT "DIET"
4. YOU ONLY WANTED TO START BEEF CUZ U THOUGHT U COULD EAT IT
5. GODZILLAAAAAA

Rebuttal

Confusion

Spoiler ([Click to View](#))

Act confused as if the roast that just left his/her mouth did not make any sense whatsoever.

As long as you look like this girl:

[img]http://cdn.niketalk.com/c/c2/350x700px-LL-c255e7df_Screen-shot-2014-06-30-at-9.45.06-AM-604x380.png[/img]

You're set for the next step.

Reversal

Spoiler ([Click to View](#))

You always have to reverse the roast in order for you to assert dominance in the scenario.

Most common reversals consist of "atleast I don't..."

"then how come..."
"you said... but you do...."
"how u gonna tell me..."

At the end finish them off
with a roast within the same genre
and type of roast they fired at you.

Example:

Person: boy u need to eat a burger
You: how u gonna tell me to eat a burger when
u lookin like the stay puft marshmallow mans
retarded cousin you fat ass d cup "i gotta wear
a sports bra" having ass bitch

Conclusion

Congratulations
Spoiler ([Click to View](#))

You just tore somebody a new asshole.
They won't ever mess with you again!

or they'll beat u up in the back of a walgreens

Have fun with this new found knowledge and
remember, with great roasts, comes
great responsibility.

I just don't think if someone attacked my \$300 basketball shoes I would feel "roasted". If I was wearing my cheap \$12 sandals I would prolly be upset, but basically my basketball shoes are like titanium alloy armour with magical powers and shit.
