Thread: [Need a serious way to make quick cash...](#)

WackMyBeaver - July 22, 2016, 9:02 pm

Alright so I was recently taken out of work due to medical issues and cannot go back to work until I get diagnosed with a medical condition. I need some kind of income and have no money to invest anywhere. Please give me some suggestions!

I'd say it's the best that you can do to earn.

Then invest the money you'll earn of it.
