As the tittle says, whats your favorite anime intro? Mines probably Noragami Aragoto.

I love the guitar in the background

Samurai Champloos Intro & outro are some of my favorites of all time tbh. The intro/outro put me into a fun space after the show has went off.

redlightrouter - August 1, 2016, 12:03 pm

Hundred's op is my favorite. The anime sucked and was full of cliches, but the intro was very good.
