Thread: [Scammed \\$265 BTC by Invex uid=2038812 \[SCAM SPREE ATTEMPT\]](#)

Lacrosse - July 23, 2016, 10:45 pm

* THIS SCAM REPORT IS STILL OPEN. BEWARE OF ANY DEALS WITH THIS MEMBER. *

We made a deal for my CS:GO skins that I would trade him all of the items in the imgur for \$265 BTC.

I went first and he logged off right after accepting the trade.

We then moved to his steam:

I gave him 10 minutes to come back online if he was having internet issues but its been around 25 minutes now and it's clear that he scammed me.

Proof I never got the payment:

Pretty sickening that he'd throw his whole account away for this trade.

I'll close if he gives me the BTC or my skins back, all of them.

Edit:

That's true.

I just didn't know someone would be such a low life as too throw away his entire HF account over \$265 in skins. Lmfao, talk about a gambling addiction.
