Thread: [PoodleCorp Stresser](#)

Elijah Mikaelson - July 24, 2016, 12:11 am

They claim this:

Quote:All user boots hit minimum of 10Gbps and the gold package does 20Gbps+ Also the botnet packages both hit at least 400Gbps at any time.

Facts or nah

Probably like \$500 a month.

Woods - July 24, 2016, 12:12 am

Can you link me to this stresser, would love to see this product of there's. Better be strong if it is taking down Pokemon Go.

SupremeBot - July 24, 2016, 12:13 am

I didn't even fucking look and I guessed it, omg.

Elijah Mikaelson - July 24, 2016, 12:14 am

Updated OP with the stresser link

lizzard stresser got hacked and leaked

iCyprusHD - July 24, 2016, 12:26 am

I told you they would do this.... I bet they only accept btc and it will be down in a week

jfm-8 - July 24, 2016, 12:31 am

I wonder if anyone on HF bought their stresser ?

GenoSans - October 18, 2016, 11:45 pm

poodlecorp.org is taken down. including stresser.poodlecorp.org
