Thread: [5 COPIES AVAILABLE - PERSONAL METHOD - MAKE MONEY](#)

J Fish - July 24, 2016, 11:13 am

Hi

Got a new job now, and haven't really got time to carry on doing my UK voucher shop now.

I've made some pretty decent money on it within the last couple of weeks/months

making atleast 80% profit per ticket I buy and sell.

What this is for \$120.00 I'm going to teach personally 5 members who buy this method, how to obtain these UK vouchers such as theme parks, cinema vouchers, Hotel vouchers, and everything like on this thread

<https://hackforums.net/showthread.php?tid=5331664>

you are able to obtain cinema tickets for as low as \$1.30 each and sell for \$5 each on personal sites, and ebay.

Themepark tickets you are able to obtain for as little as \$3.5 and sell on for \$20 per ticket

you can sell these tickets on ebay, personal sites, and others,

I don't have time for selling anymore that's why I'm selling my personal method to 5 people only,

this method will NEVER run out, wont get saturated aswel as hardly anyone knows about this.

NO VOUCH COPIES AVAILABLE.

Any questions, PM ME
