Thread: [Official List of Every Pokemon in Pokemon Go](#)

funtela - July 24, 2016, 8:00 pm

This list includes details and pictures of each pokemon, the types of moves they can learn, and how much Pokemon Candy they will need to evolve.

There are 150 Pokemon currently in Pokemon go, but some are extremely rare or unreleased. Mew is included on this list, but, unlike Mewtwo has not been confirmed. A timetable for additional Pokemon to be added to Go has not been revealed at this time.

If you want a sticky, you can do better than this :P

Why not just an image with all 150....

Because I plan to add more info on each Pokemon. I just added the basics for now. I'll be adding best locations for each, etc.

The Silenced - July 25, 2016, 5:31 am

Ah this is totally awesome! I have been looking for something exactly like this. I've heard of people catching mew and mewtwo but wanted to find an list if they were even out. Thanks for this man!

Osuka - July 25, 2016, 5:59 am

i have a farfetched and the hair glows/shines is that normal?
