Thread: [Pornographic Anime](#)

Omniscient - July 26, 2016, 9:55 am

Any linking or posting of pornographic anime will result in the immediately closing of an account.

It does not matter if you consider it CP or not. It's still considered pornographic and against site policy.

Consider yourselves notified and warned.

Note: This is NOT a new rule. It's always been the case.
