One of the best shows this season

Kashira - October 8, 2016, 3:57 pm

Oh snap, I didn't even realize there was going to be an anime on this. I was wondering why the manga wasn't getting updated for quiet some time. The manga was good, So the anime should be too. Can't wait ;p.

RainbowHentAi - October 27, 2016, 5:52 pm

If you need a reason to watch it

Esdese - October 29, 2016, 2:10 pm

Should I wait for this to finish airing or should I watch it weekly?

Just watch subs, but since the first episode is already dubbed I guess you could watch it if you REALLY wanted to

Does it really? But its just coming out, how odd, have never heard of this happening. Typically its a few months before they do that.

Are they decent dubs or the shitty/quick ones typical of most modern popular anime.

Nobunaga?

skelly76 - November 9, 2016, 4:51 pm

I'm waiting for more eps to come out but it looks good.

reversexd - November 9, 2016, 7:04 pm

The anime is great, the actions scenes are good and overall is quite enjoyable, however I hate when the "comedy-art style" kicks in, it feels so out of place.
