Thread: [AUTOBUY >>> Lvl 25+ Pokemon Go Account \\$3 <<< RARE Pokemon Of Your Choice Included](#)

Erwin Schrödinger - July 28, 2016, 4:11 am

Hello!

I don't have a thread design yet, but I'm selling level 25+ Pokemon Go accounts with a rare pokemon of your choice, for ONLY \$3 each.

[CLICK HERE TO BUY](#)

Feel free to choose from any of these rare Pokemons!

Spoiler ([Click to View](#))

How to buy:

- 1: Buy a level 25+ account through the link. (The account is ready for use, so if you don't want an extra Pokemon, this is all you have to do! :^))
- 2: Post your order ID & what additional rare pokemon you would like with your account, in the thread.
- 3: You will receive a PM once your pokemon has been added. (Shouldn't take more than a couple of minutes)
- 4: Enjoy!

All accounts have the expected lures, incense & lucky eggs etc, several 1000+ CP Pokémons, in addition to the rare pokemon you requested.

Once you log in, you're also able to pick whatever team you want.

We're also giving away two vouch copies to reputable members.

A nice starter no doubt.

Additional Pokemon Go services:

Acquire any rare Pokemon to your own account, without receiving a soft ban (\$1) (The Google API seems to have banned our methods, so we're only accepting PTC accounts)

200 PTC accounts (\$5)
