Thread: [Bought a gift for Omni and now I cannot send it.](#)

CONN3X10N - July 28, 2016, 2:01 pm

So I have been making money since I joined this forum.

I have done giveaways for members etc

So I decided to buy Omniscient a nice bottle of whiskey as a gift of course. He has made a successful forum where people can actually make money.

So, I went to my local post office ready to send it to him etc and they tell me I cannot ship it because it's an alcohol product and It cannot go to vegas via Air. (I do remember sending him a physical omnicoin once.) But maybe it's the fact it's liquid/alcohol I cannot send it.

Such a nice taste of whiskey too. Image below,

Cant you just use UPS or FedEx or something?

EthanX - July 28, 2016, 2:03 pm

Im sure you could find a way to get it there. Something has to exist.

'Ben - July 28, 2016, 2:03 pm

Just wrap it up, make sure it can't move and send it away.
Even better if you box it.

ShNuG - July 28, 2016, 2:04 pm

iNk. - July 28, 2016, 2:07 pm

You can definitely send it bro.

Just wrap it nicely and have it ready to ship before you get to the post office.

If not you can ship the whiskey to me. I'll gladly take a 12 year old whiskey off your hands

I mean, I had it in a box and everything (I am from the UK) but like, They said I couldn't send it like wtf. I don't want to just buy a dodgy bottle off some random site for him LOL. I bought it from my local booze shop. It's a fine whiskey :P

Mafty Navue Erin - July 28, 2016, 2:21 pm

I guess someone is aiming for the Dick Rider award.

webdev77 - July 28, 2016, 2:23 pm

Ship it via UPS ground or whatever the FedEx equivalent is. I know for a fact both will carry alcohol without any trouble.

Do what Webdev77 said and ship it another way.

You're fucking retarded.

Yes, I myself also sometimes call someone an asskisser because they're doing it on purpose.

This guy however just wanted to express his gratitude towards someone who has helped him gain knowledge and make money. Once again, I'm not asskissing anyone, but Omniscient did help tons and tons of people make money and I think most of us should thank him for that and this guy did it in a good way. In no way I see this as asskissing, just thanking him.

So next time don't come on threads flaming everyone and posting LQ shit.

I will have a look at the wishlist.

I am not an ass kisser lol, Just because I am showing gratitude to an owner who has made a successful forum and I can actually make money on it does NOT make me an ass kisser in anyway shape or form.

I have done giveaways for members.

I participated in Secret Santa last year.

I even made a physical Omnicoin because I was very interested in the Crypto currency when it was alive.

So if people want to think I am an ass kisser for making money and contributing then that is okay.

I couldn't give a flying fuck. Haters are going to hate.
