I'm at a point now, where 1 of my sugar daddies is paying me even if I'm offline to "surprise" me.
(Received \$25 this morning when I woke up).

So I'm good with my traffic / method, thanks anyway for the offer. ?

The pack has been shared here before, but can't recall who gave it away.

So I reversed image search and then I found a lot of pics at 1 page only.

Anyway, thanks for the feedback and good luck!
