Thread: [Want to join the Illuminati? \[Seattle, Portland, Las Vegas\]](#)

bandors - July 29, 2016, 7:57 pm

Update: If you also want to meet up in Seattle I am passing through. I am taking the portland airport. Just take a short ride if you live in the area to meet in person :)

I am only adding a few people to the group. If you want to join, there are a couple ways. First, meet up with me in person. I will be at Defcon in Las Vegas 2-9th, if you happen to be going let me know.

I am looking to add other experienced marketers. If you think you have what it takes, PM me and I'll let you know. If you do, we will then have a chat on Skype and can discuss you joining.
