Player Modifications
Full Playlist Tab for Custom Search Options
Aimbot and Super Lunge Toggle
Jump, Movement, and Acceleration Modifiers
Map Barrier Toggle
God Mode Toggles
Player Model Selection (Spartan, Elite, or Monitor)

It's a Beta! It's Gonna be Updated with New Stuff Frequently!

Upcoming Features:

Player Modification Support for Player 2 (Up to 16)
Full Projectile Editor
Infinite Ammo/Rapid Fire Toggle
Spoof Gold to Other Players
Many, Many Possible .map Mods (Keyword is Many)

Take it or leave it. ?

PM for link

Nimbus requires your modified console to have Xbox 360 Neighborhood working as well as the JRPC plugin!

I'm just going to wait until a trusted user confirms on the thread. Just don't want to risk it.

Nimbus requires your modified console to have Xbox 360 Neighborhood working as well as the JRPC plugin!! I have used this before awhile back. Not a bad tool at all.
