Synopsis

"Deep Space, many different cultures have come together to live on planet Jet. To keep the peace an organization known as the Jetters is formed. This space police group fight against the villains known as the "Hige hige dan" making sure that the universe is safe. The leader of the Jetters Mighty is a powerful Bomberman, who is looked up to and respected....his brother however is a lazy crude slacker named Shirobon. Suddenly Mighty disappears and Shiro finds himself placed in a new situation. Shiro steps up and become a responsible Bomberman, and with the new friends he made of the Jetters it may become possible for him to be the next "Jetters leader."

Why should I watch this show?

The Bomberman series shares parallels with Zankyou no Terror with its plot revolving around explosives.

Should You Watch?

Yes.

Where can I watch this?

The only way to watch this show legally is to purchase the DVD box set unfortunately.

Please use spoiler tags when needed, whether they be manga or anime spoilers.

I remember playing the original bomberman way back in the day. This anime is bringing back some major nostalgia.

Mafty Navue Erin - July 30, 2016, 9:16 pm

I might consider picking this up since I played the game back in the day. Also, what's with all the Bomberman hype on this thread? Y'all going all out with the avatar changing lol.

Looks like a HQ discussion thread Sir, adding it to the compilation list.

Thank you for your contribution!
