Thread: [Black Ops 2 or Black Ops 3?](#)

So I've recently bought a 360 again due to my One being a piece of crap.. I'm without games and I always used to play BO2 Multiplayer and Zombies, but since then BO3 has come out. I'm just wondering if it's worth getting BO3 or getting BO2? I've heard that BO3 wasn't very well optimised for the 360.

BO3 is awful for the 360. Just awful. Go with BO2, a better COD (imo) and graphics that are more utilized for the 360.

I cannot stress how much they fucked over last-gen consoles with BO3

Buy back black ops 2,don't waste you're time on Bo3 on last gen.

Go for 2.

I have Black Ops 3 for the One, but it's crap. 2 is better.

I hate Black Ops in general but BO2>BO3

The newest CoDs (AW and BO3) are absolute ass on the 360. Get BO2.
