Toradora!

Genres: Comedy, Romance, School, Slice of Life

Studio: J.C.Staff

Air Dates: Oct 2, 2008 to Mar 26, 2009

Season(s): 1

Episodes: 25

Quote:Ryuuji Takasu is a gentle high school student with a love for housework; but in contrast to his kind nature, he has an intimidating face that often gets him labeled as a delinquent. On the other hand is Taiga Aisaka, a small, doll-like student, who is anything but a cute and fragile girl. Equipped with a wooden katana and feisty personality, Taiga is known throughout the school as the "Palmtop Tiger."

One day, an embarrassing mistake causes the two students to cross paths. Ryuuji discovers that Taiga actually has a sweet side: she has a crush on the popular vice president, Yuusaku Kitamura, who happens to be his best friend. But things only get crazier when Ryuuji reveals that he has a crush on Minori Kushieda—Taiga's best friend!

Toradora! is a romantic comedy that follows this odd duo as they embark on a quest to help each other with their respective crushes, forming an unlikely alliance in the process.

Hmm, I have a feeling there was another thread for this ages ago but meh, too lazy to search.

Anyways, I liked this anime. It was alright, didn't leave me with a wow! reaction when I finished it but I did enjoy it.

If anyone wants to watch or watched this anime, also check out: [Golden Time](#) ~ If I remember

correctly, it's made by the same guys that made Toradora! and I personally liked it a lot more.

I love Toradora, I watched it about three or four years ago. I think that it's time to rewatch.
