Thread: [@OMNI Please add this feature.](#)

Pinhead Larry (109)Negative (-3): "If she was black she would be dead" - not every cop is racist you asshole

I said if she was black she would be dead as a joke and this kid took it seriously. Why cant omni add a comment section so people can reply to their reputation negative or positive.

This kid actually thinks I think every cop is racist, I'm pretty sure any retard knows not even 10% of cops are racist. I dont even live in the US and I know that.

So can OMNI please add this feature as a lot of people here use heard mentality and will instantly think I think every cop is racist.

-AGAIN A TLDR FOR THE FUCKING IDIOTS, I want omni to add a section where we can REPLY to REPUTATION. I dont give a fuck if my red pixels are -10000 or -10 FFS

cba just cba

@RETARDS THINKING I CARE ABOUT REP

I dont give a fuck about pixels on a screen being -4 or -60000 I care about idiots posting stupid shit like ""If she was black she would be dead" and not getting jokes.

If i cared about rep, i could make a new account, do 10 giveaways and help out but I dont.

Viral Dragon - *August 1, 2016, 12:30 pm*

It's not happening. Omni has explained time and again that isn't going to happen.
The best you can do is upgrade and just leave your own rep, OR, send him a PM
That's about it.
