Thread: [\[Suggestion\] Split Pokemon Go section \(Legit + Botting\)](#)

Sharjah - August 1, 2016, 2:05 pm

I think there should be a separate sub section in the Pokemon Go section strictly for botting. Some users don't give a shit about botting and just want to play legit and discuss about the game in legit ways rather than botting

no need, the game is gonna be dead soon and so will the SF.

Anyways there's not enough activity to warrant 2 sections i believe

Will it die because they are releasing the second generation of the game? ?

I don't think there would be enough activity in the "legit" section. I'm serious, most of the people on HF bot.

I've seen a decent amount of activity with legit players in the section
