Proof that it is him <http://prntscr.com/c0rmo8>

So basically my question to you is does this still count as a gift or ?

yes this is a gift. It's like robbing your local homeless shelter of all their soup, and giving it to your mom as a present. It's still a gift.

SIM-2212192 - August 2, 2016, 11:50 am

BR?ND?N - August 2, 2016, 2:54 pm

A gift is a gift.How he gets it don't matter.

Reporter - August 2, 2016, 2:55 pm

Regardless of how omni gets the product, its a gift.

Cursed Power - August 2, 2016, 2:58 pm

well it shouldn't matter how he obtained it, it's still considered gift

C0NN3X10N - August 2, 2016, 3:00 pm

So I got him a gift? It got delivered to ME.

Anything I do with refunding would not affect omniscient in any way. (Also I couldn't even ship it to him)

But this brings me to my question, Why the fuck are you so obsessed with me? You are making thread after thread about me LOL

You fucking weirdo LOL

Chucky. - August 2, 2016, 3:03 pm

Dude, we can clearly see his entire mobile number, even after you blanking it out ?

Suspense - August 2, 2016, 3:05 pm

It's none of your business what other people do on here.

It looks like you're trying to create drama over nothing that you should be interfering with. Boo hoo.

I'm not sure how I feel about it, personally I wouldn't really want someone sending me something they refunded

It was refunded when I found out I couldn't even send it to the guy, Apparantly It wasn't allowed to ship alcohol by air. And vegas is a long long way away from me.

Thats just what my local said,

A gift is a gift.

The definition of a gift is

gift
gift/
noun

1.

a thing given willingly to someone without payment; a present.

"a Christmas gift"

So technically speaking, it is a gift. I may not agree with how it was obtained, but it literally is a gift.

To be fair, I bought my gift legitimate with amazon balance.

It got delivered to me.

Anything I do with this after is nobody elses business.

So yes, It was obtained legally.

Well, When I found out I couldn't send it to omni, I kept it for myself.

It's not even halfway yet! It has a rich taste. I really enjoy it.

However, I will find a way to get a bottle to vegas. That whisky is good!
