Thread: [Possible to jailbreak ps4 running on ps4?](#)

Jason AG - August 3, 2016, 2:23 am

Is there anyway to complete this?

Tree of Life - August 3, 2016, 3:03 am

You can't jailbreak a PS4.

bobweedlover - October 19, 2016, 3:32 pm

not yet anyways.

maybe one day

wb_kinley - April 29, 2018, 7:08 am

Not yet M8 But over in UK its a rumor going around about a software being created ... just be patient

u can jailbreak ps4, its possible now, look it up

JasperRed - May 8, 2018, 3:49 am

i can help you do this, i will send you a pm soon.

CorruptWhitehat - January 7, 2019, 2:24 am

yes you can ...u need a flash drive / usb , and your playstation has to be on a certain update , if its at the latest version while your reading this your properly gonna have to wait a couple months :)

Pinkman889 - January 7, 2019, 10:09 am

There are Some tutorials in Youtube right now

woomyfalls - February 20, 2019, 8:01 pm

Sounds really confusing lmaooooo

Indie Developer - January 16, 2020, 6:59 am

the 5.05 firmware is exploitated , so you can run a kernel exploit for jailbreak your ps4 (run payload and homebrew)
