I mean, you could have just PMed him about it...

I'm not mad about the rep, It's just that I openly admitted to having 400 + accounts, what does he think he's going to do? Wannabe moderators i tell ya.

Ah, I didn't check your TS and didn't know you admitted to it. I thought he was one of those Ubers that just neg someone and lie in it to make you look bad. He's just warning others, that's not being a wannabe moderator.. that's looking out for the community.

I guess he's just mad that you're getting away with it.

If you have 400+ accounts, I feel sorry for you. Get a life. I'm not mad or angered, but that just sounds so pathetic.

Doesn't match the stereotype much though.
