Thread: [Need redesign of Sig / Give you Free VPN](#)

Up In The Smoke - August 4, 2016, 4:55 am

If anyone else has a design, I'd love to see it.

Its now 1 one month not 2,

Who can do this for me?

You can have lifetime access to VPN.

I don't mean the exact same sig, you can redesign it how ever you want.

It doesn't have to be a gif, a universe/milkyway background is preferred.

Of course I said thank you, I mean it isn't the best design and I've seen much better graphics done.
Since it's free I can't complain.

I'm simply asking if anyone has free time to make me a sig, don't cry.

"smh"
