<https://hackforums.net/showthread.php?tid=5361349>

This is some stuff I've done since posting that and I'm open to all criticism so please do share your thoughts nice or harsh.

YT Banner I tried for someone in Marketplace, he did like it but wouldn't pay for it....

Some of these are good, enjoy the green apples.

RedsBotShop - August 4, 2016, 5:54 pm

These Are really nice man , I wish i could do this .

It was just a shape from some shit I loaded along time ago but it seemed to fit.

The gradient and style though, I spend my time on.
