Thread: [Downgrading From ub3r How Can I?](#)

Natalie Dormerr - August 4, 2016, 11:37 pm

I don't want to support this toxic community anymore. I don't get why people act like 12 year olds on here. How can I downgrade from ub3r?

Swip3r - August 4, 2016, 11:38 pm

I got you buddy, what you do is you click this little magic button called "Log Out"

SIM-2908357 - August 4, 2016, 11:39 pm

Important Notes:

1. All accounts are manually inspected before upgrade.
2. Any fraudulent data used will result in the closing of your account.
3. No refunds.
4. It may take up to 48 hours to complete your upgrade.
5. Do not contact us unless you have waited 48 hours and you must provide your Reg.net Order ID.
6. More information about the upgrade process on the next page. Please read it.

Don't want to be rude but you really don't have any other option than logging out.

There's no point in downgrading from Ub3r. It's a one time payment - not something you pay monthly for. If you are not enjoying your time on HF feel free to take a break for awhile.

Pretty sure you're crazy. HF's only payment method is BTC now, and either way your account wasnt even created back when upgrades were monthly, so I think you fucked something up on your paypal and sent recurring payments.

Or you're just a shitty troll, whatever.
