Thread: [Team Instinct Gym Claiming \[Discord\]](#)

Lifeyz - August 5, 2016, 5:58 am

Hello,

I recently made a Discord server for Team Instinct players where we will take over gyms together and/or just chill and chat.

If you are interested in participating in some easy gym claiming reply to this thread or shoot me a PM and I'll gladly send you the invite link.

Currently only me and my IRL's are in the server, but I hope that we all will unite and rule some gyms even though we are underdogs.

I still haven't seen anyone even around my area that has taken over a gym from instinct. I always see the blue team everywhere. Valor is around sometimes but not to often either.

I take all 5 gyms in my small town daily, I would love to add some more to the list. My main is lvl 30 working towards 31 with decent enough poke's. Hit me up with the discord and I'd be happy to join. I had a feeling Instinct would be the small group.
