Thread: [How to gain thousands of Twitter followers.](#)

Cold Hearted - August 5, 2016, 12:37 pm

Decided to write up another few methods for you guys, with this I got an account up to 80k+ in around 2 months.

Message me for this method, also feedback is much appreciated.

Enjoy, and have fun.

Please take note that all followers will be real people, I don't like fake followers. They're pointless.

Pillows - August 5, 2016, 12:38 pm

Is this from natural-human traffic or through bots? If it's the first one then I'd definitely be interested.

This is natural human traffic, so all followers will be real.

I don't like fake followers, ew.
