Anything else NAME YOUR PRICE. I will NOT offer. I only buy weekly signatures. If you are less trusted than me or have less than 5 posts a day i pay after it expires.

ILY ? - August 8, 2016, 10:32 am

I'll sell mine for \$5 per week. I had some time of the forums but now I'm back and making like 20 posts per day. You can check the post activity. Oh and we can agree on certain number per day and certain forums to post in.

LayndR - August 8, 2016, 10:35 am

Mine's up for grabs. 7 post per day (I've been inactive for a while because vacations and stuff).

\$3 a week

i a m g o n e - August 8, 2016, 10:36 am

We can do \$5 bitcoin for a week, like last time. Its quite obvious my space is worth more as i have 25 posts per day and 10k posts, everyone else is overpricing like crazy.
