Thread: [\[Guide\] Doppler Patterns & All you need to know](#)

Lufasu - August 8, 2016, 11:11 am

Hello :) ,

So , this is a simple guide about all the doppler patterns that exist , you can check my other guide of
- Slaughter patterns & Case Hardened patterns -

<https://hackforums.net/showthread.php?tid=5366233>

So , lets start .. Doppler has 5 patterns in total .

The most usual pattern / most common -

Mythical -

am_doppler_phase1

A lot of black , a little pink .

am_doppler_phase2

[img]http://image.prntscr.com/image/91e0c9182d1a47319a5e8185628d9c2e.png[/img]

A lot of pink , a little black .

am_doppler_phase3

A lot of blue , black and a bit greenish - brown .

am_doppler_phase4

A lot of blue mixed with black .

Legendary -

• rare pattern

am_ruby_marbleized

[img]http://image.prntscr.com/image/c3e54ec2d1614d7e9d42deb75c4f5a51.png[/img]

am_sapphire_marbleized

[img]http://image.prntscr.com/image/ee9e86fbd0524f5a9b95155cc6b2f1da.png[/img]

Ruby - a bright red color on the types connecting PATTERN .

sapphire - a light blue color with a lighter color reflects light and emphasizes the blade on the knife .

Ancient

• The most rare pattern

[img]http://image.prntscr.com/image/3c9269e12a9c477bbe0ad0e4da546ec8.png[/img]

The most rare pattern on doppler , You should be lucky to get this one , also this pattern its full black colored , and very rare on drops (case openings).

How to check Phase of the knife ?

To check the DOPPLER PATTERN certain Visit this site : Csgo.exchange

Then click on the Inventory Calculator , put the link with the profile of the DOPPLER and click CHECK .

The Inventory will be opened to you his at the Karambit Doppler will be registered this number :

This Phase of the knife .

I hope its helped you guys :) .

Have a nice day !

Probably one of the worst Guides because you don't describe the different "Pattern" in each pattern itself, add that and it will be a good guide worth reading.

look at the start , its a SIMPLE guide just showing the patterns no more.

I can add those later when i have time.
