Thread: [CS:GO leveling/ranking up service. \[CHEAP\]](#)

FlokiCS - August 9, 2016, 7:26 am

I will be fast and not cheat/boost. I got a premade team who is willing to help me with this.

Levels:

0-15 = every level \$1

15-30 = every level \$2

30-50 = every level \$4

Ranks:

Silver to GN 1 = 5\$

GN to MG 2 = 10\$

MG2 to MGE = 10\$

PP, BTC & skins accepted.
