Need a free one to do a medium sized AGC-BTC deal. Please message me asap, trusted ub3rs only don't try to scam.

Make sure to check there trust scans too, just because they're UB3R doesn't mean they won't scam you.

First guy to PM me was: <https://hackforums.net/member.php?action=profile&uid=1694427>

Thanks for the heads up. I sent the \$500 BTC to him just waiting on him to reply

Spoiler [\(Click to View\)](#)im kidding why would I send him \$500 lol
