Sorry to ask you this but what do you mean by "top locations"? Are those places packed with rare pokemons or the spawning rate is high?

georgegrimas - August 12, 2016, 4:09 pm

Thanks for the post really helped

It's German.

CHAOS - August 12, 2016, 4:39 pm

Posting to remember, i may try some of these cords later.
