Thread: [Dynasty Addon suite?](#)

iEchO - August 11, 2016, 4:31 pm

Does anybody have the newest versions of the dynasty addon suite? I would really like to have it if you do and are willing to share!

Eh I have been having a pretty good time playing with my guild ganking people lol didnt do too bad in arena when it was open got to 2300 pretty easily. Might actually try to get to 3k this coming up season!

EDIT: I found what I was looking for, IF anybody is interested in the addons, just download firehawk and you can get the all for free and always updated. Thanks.
