Thread: [\[Tutorial\] Csgo demo manager | Manage your game](#)

Lufasu - August 11, 2016, 11:06 pm

CSGO Demo Manager

With CSGO Demo Manager you can track your progress in a simple fast and efficient !

The software allows you to see the games you played and analyze them deep with a variety of options , in addition you can follow the status of users have reported VAC , follow your general data and more ..

What the program offers you -

What software offers :

- Finding all games that you played by advanced filtering (Map , Round etc ..)
- Review of the highlights and low points of yours
- Monitoring the status Vac users have reported them
- Hitmaps accurate
- Tracking your data (kills , headshots , number of wins , etc. ..)

And many other options .

Pictures -

Download & Install -

[Click me download](#)

[Click me for virus scan](#)

Install : Extract the folder to the desktop and run the demo Manager.exe as administrator .

Leaving a comment for when I get home. ?

Brain Gear - August 12, 2016, 1:24 am

This looks great, ill check it out in a few hours ?

1tap - August 12, 2016, 6:25 am

Looks really promising, anyone checked this for viruses yet?

Lufasu - August 12, 2016, 6:26 am

I saw it, i mean it looks legit and all but mate its the internet :P

Anyways i will definetly try it when im back in sweden.

Also did you make this?

This porgram looks cool. Might try it out later.

Hazaki - August 12, 2016, 8:13 am

This should Be on a Client i mean Create your own Client Like CEVO

ultr4l33t - August 12, 2016, 8:39 am

I would recommend you to download the Tool from the official website instead a shady dropbox source ;o)

[http : // csgo-demos-manager . com](http://csgo-demos-manager.com)Will update this when i finish my comp :)

Thanks fam !

JavaDriveBy - August 12, 2016, 10:20 am

Look awesome, will download it later :)

spaceandtime1 - August 12, 2016, 11:09 am

Great management software. I like how you can monitor users.

Leaving a comment to come back later

SIM-2470866 - August 13, 2016, 12:32 am

Damn dude this is a really helpful tool. Thanks bud!

PrecisionXYZ - August 13, 2016, 5:35 am

Thanks for this manager, it's latteraly faster now !

PlatinumD - August 13, 2016, 7:26 am

This looks like a pretty cool tool thanks for sharing
