for now all good ..

DKProdigy - August 13, 2016, 6:29 am

I'm constantly botting and sniping, i have no idea how people are being selected for these bans..

Juthetopp - August 13, 2016, 6:30 am

just make a second account for snipping, don't snipe on your 38 lvl account
be smart

daring XD

SIM-403479 - August 13, 2016, 7:12 am

You're going to get banned...

illusionXD - August 13, 2016, 7:17 am

i went sniping when people were spamming about bans i didn't get shiz and sniping was all good caught 2900 dragonite as well.

not sure how this bans are being given out.

running bot 150k/hr as well from last 6hours.

Yellow Sponge - August 13, 2016, 7:40 am

Just to it lmao. I've been running necro and snipe 24/7 for the past few days no bans yet.

Call-Me-X - August 13, 2016, 7:49 am

Yeh for now all good after 1 :30 min

Necrosty - August 13, 2016, 9:13 am

Well, yeah you can be running this for the next 24 hours without problems. Maybe some simple softbans.. Anyway, wait for the next ban wave, you are the perfect opponent to gather information from, so keep continu doing this and share your config so we learn wich config we do not need to set

Call-Me-X - August 13, 2016, 9:34 am

all good after 3 hours ...

Crowley - August 13, 2016, 9:40 am

I've been sniping since yesterday and still not banned lol

Sooo i'm guessing it's just a fluke

Either way you will get banned if you try and snipe.

It is not very humanlike to be teleporting around the world landing on the rare pokemon is it?

How recent are these "bans" and are you talking about the login error?

12kb - August 15, 2016, 11:55 am

My level 39 got banned yesterday, starting a new account with more human settings i
