Thread: [Animes similar to Mirai Nikki](#)

Hey all,

I'm new to the anime world and I just finised Mirai Nikki, and would like to find more like it. I'm almost done with Akuma no Riddle. I tried watching Steins;Gate, Deadman Wonderland, and Higashi no Eden, but none of those really fit my style. I like the yandere in MN but I wish there were more with that level of it. Let me know

Thanks!

If you want something yandere then School Days and Shuffle might be good for you, I enjoyed both of them; Although both anime do have heavy romance aspects to them as well. Higurashi no Naku Koro ni is supposed to be yandere too but I can't recommend it since I haven't watched it yet.

Agreed with looking into the recs page and the ones Faulkner suggested, especially Higurashi no Naku Koro ni.

Perhaps you'd also like Another and possibly Shiki.

Do you like gore? Try Out Elfen Lied, way more fucked up than Mirrai Nikki, but still a cult..

It's like you must watched just to realize that it exists.
