Thread: [Need a name for my new car](#)

Deformed - August 13, 2016, 7:00 pm

Help me out, I can't think of shit. Will reward people that come up with nice suggestions. Currently thinking of Apollo or Zeus. Wanting a name that has to do with the color scheme, but I just suck at this overall

Don't be a fag and name your car.

V?rt - August 13, 2016, 7:02 pm

I honestly think you should call it Ghost. It's white, but has the slight hints of black and looks clean. And I know for a fact it can disappear real quick.

My last car was named Black Magic, and believe it or not I've already had people asking me what this ones name is

why do u name ur doggo? seems kinda gay.

Apollo sounds like a nice name. Stick with that since its the first name to pop up in your head.

Nice car btw. I was thinking about getting a Charger instead of a Challenger.

The new chargers are extremely nice. I test drove one last week and I love them. Just not a fan of 4 doors. Anything 2014 & up is nice

Yassuo - August 13, 2016, 7:03 pm

"White Challenger"

If you ever decided to change the color to black :^)

call it the "Black Challenger"

MyeRodriguez - August 13, 2016, 7:04 pm

I rather like Apollo as well. It's a nice name for a kitty :3

Yeah, I see police in Vancouver driving the 2016 Chargers. I really like how the new headlights look too.

I might go with a Charger once I get my money since they're changing the look of my dream car, Mercedes-Benz C63 AMG.

If I get either one I'll be sure to post a thread about it if I'm not closed.

Hey guys tutorialcool101 here. Today we're gonna be making a really funny and cool prank. First you need a car and you have to name your car my asshole. So that when your friends are over you can be like let's take a ride in my asshole.

*You should call it crystal

skelly76 - August 13, 2016, 7:11 pm

How about "Kevin"? Pretty slick if you ask me.

I would say the same, but go ahead and tell any black guy that your car's name is the KKK

Narzi - August 13, 2016, 7:40 pm

"Ricer" sounds like a good name for this bad boy.

Zanwald - August 13, 2016, 7:42 pm

Name it "Dude Magnet"

That's all you'll be attracting.

JustCristiano - August 13, 2016, 7:43 pm

Okay, so on this note. I came up with a new name that I believe fits it perfect. Just call it Casper, for simple reasons. I thought ghost would fit, but for some reason it doesn't. Casper sounds nice though, I mean c'mon Casper the Ghost.

Riyu- - August 13, 2016, 7:47 pm

Don't name it anything just drive it.

"Titanium" seems like a cool name.

CasperXN - August 13, 2016, 9:59 pm

Honestly I'm not a huge car guy but I'm envious, I would love to have that car. As far as naming it goes, I don't think most people name their car. It seems personally pointless to me, but to each their own.

Jaxo - August 13, 2016, 10:03 pm

That looks like a: Big Bad Boris... for sure.
