Hunter x Hunter (2011)

Synopsis (Courtesy of MAL):

Spoiler [\(Click to View\)](#) Hunter x Hunter is set in a world where Hunters exist to perform all manner of dangerous tasks like capturing criminals and bravely searching for lost treasures in uncharted territories. Twelve-year-old Gon Freeccs is determined to become the best Hunter possible in hopes of finding his father, who was a Hunter himself and had long ago abandoned his young son. However, Gon soon realizes the path to achieving his goals is far more challenging than he could have ever imagined. Along the way to becoming an official Hunter, Gon befriends the lively doctor-in-training Leorio, vengeful Kurapika, and rebellious ex-assassin Killua. To attain their own goals and desires, together the four of them take the Hunter Exam, notorious for its low success rate and high probability of death. Throughout their journey, Gon and his friends embark on an adventure that puts them through many hardships and struggles. They will meet a plethora of monsters, creatures, and characters—all while learning what being a Hunter truly means.

Eps: 148

Genre(s): Shounen, Super Power, Action, Adventure

Aired: Oct 2, 2011 - Sep 24, 2014

Source: http://myanimelist.net/anime/11061/Hunter_x_Hunter_2011

Sub/Dub: Both exist, however the dub was done very well.

Trailer (This one is fan-made, there weren't any decent enough trailers, so found this one, however using spoiler tag since it does appear spoilerish to a degree):

Spoiler [\(Click to View\)](#) [Video: <https://www.youtube.com/watch?v=59rCbUdBpko>]

For those of you who still seek a shounen even after growing up with Naruto, One Piece, and that memorable bunch of anime, this is surely one for you. HxH's story manages to keep the light-hearted feel throughout the anime, while simultaneously adding in several arcs, minor themes, and even going to dark undertones. And indeed while this is another anime that relies on using power in fights, there is more thought put into strategy and past experiences rather than trying to simply overpower the opponent. Despite all that occurs throughout the anime, it remains consistent up to its final ep. Art is well done and the sound is nice with a few good OPs.

While in theory this anime only has 1 MC, there really are 4 and each is able to bring a different perspective/backstory to the table that becomes intertwined with the plot. However, HxH also does an excellent job with supporting characters and gives each their fair share. However, a draw back most notable is that it does take some time to get into the anime, as it does start off slow and only picks up pace after the first 5-10 eps. There are also a few other minor details, however discussing them in this part would be a spoiler in itself ;) However, I do recommend this to anyone seeking a longer anime and if you can muster to sit through it all I guarantee you won't be disappointed ;)

V?rt - August 13, 2016, 10:57 pm

Just finished watching an episode of it on toonami lmao. Love it, recommend it for sure.

TL;DR for OP a bunch of guys are in the woods hunting each other with strategy and strength.

P_R_O - August 13, 2016, 11:34 pm

I watched HxH since i was young, been loving the series since then, its sad that the mangaka does not regularly update the series because of health problems.

CloudPinkdon - August 13, 2016, 11:51 pm

Long-running anime's almost always lose their luster after awhile.

Filler is added, too many characters, lack of a reality check from writing too many chapters. Plot holes develop.

SIM-3022874 - October 1, 2016, 10:14 am

For the people who are calling Hxh(2011) childish you have to finish it first and then you are able to express your opinion :) So don't call it childish or w/e

SkullCandy - October 2, 2016, 4:46 am

This show is great - originally I put it off because I thought it looked too childish; but this show is far from it and is fucking amazing. This is easily one of the best long-running anime out there. If you like Naruto then I would suggest this very much :) Also if you like stuff like Sword Art Online; this show has a bit of everything. It even seems to draw some inspiration from Dragon Ball and other great anime like that!

shreder - October 5, 2016, 2:53 pm

I remember once i had the thrill of hxxh like you Guy's but i try to stay away from it until its continued or I get sad.

skelly76 - October 5, 2016, 7:46 pm

My experience went like this as well lol.

Jacinto - October 5, 2016, 11:36 pm

This anime is amazing, it has everything you want, in a good form. There's no one I know IRL that didn't like it. It's childish, or fun in the outside, but as you watch it, you start feeling it deeper, it is a subtle work. I really recommend it. And hope it gets continued some day.

Offtopic, My mother fell in love with Gons innocence and finished the series in two weeks or so. It was just her and my crunchyroll account.

NetJunkie - October 7, 2016, 2:02 pm

Will always be one of my favorites. Awsome anime.

baka~ - October 7, 2016, 4:49 pm

Havent watched it for a while but Ive watched about 100-115 episodes of it, great anime imo especially if you like longer anime series.

Akane - October 8, 2016, 7:59 pm

Its a great series and what I love so much about it is how they made the fighting styles interesting

and cool at the same time. Its very much unique to the series.

The downside of this is the writer is known for taking a break. The manga is currently at a standstill and no one knows when the next chapter will roll out. The last break lasted around a year if I can recall correctly....

DerMensch24 - October 8, 2016, 8:24 pm

Found this article from yesterday. Manga is still delayed ofc, but apparently the reason for the delay (and the last few times) is due to Togashi's back pains.

nuuc - October 10, 2016, 9:21 pm

will always be one of my favorite anime. if you haven't watched it and think it's too childish, please rethink your decision as it might not be what you expect. I encourage people who haven't watched it to watch it up to at least the chimera ants arc, as I find that the best parts of the anime are before it.

c0rt3xx - January 30, 2017, 1:19 pm

i dont like the 140epsiode :(maade me cry enought :(((

fkoffcheater - January 31, 2017, 8:56 pm

Oh, God. I wish the writer wasn't dying. The anime was so great and it had to end so abruptly. I wanted to see how everyone would develop and where they'd end up. Too bad.

Killua. - March 4, 2017, 5:01 pm

Just finished all the episodes. Definitely a top 3 anime; Killua is one of my favourite anime characters now.

Covc - March 4, 2017, 5:40 pm

awesome drawing. one of the best

shreder - March 4, 2017, 6:34 pm

I love this anime who knows when we will see it continued.

Mafty Navue Erin - March 4, 2017, 7:50 pm

Whenever the author stops putting the manga on hiatus and actually makes enough content to animate.

Yui-Senpai - March 4, 2017, 9:39 pm

This is in my top 10, and my top 5.... probably also my top 3.

Rewatched it 3 times and rewatching it for the 4th.
