This looks pretty freakin' cool mate :)

SaturnArts - August 14, 2016, 12:24 am

Wow that's cool, are there tutorials for doing this? I wonder how it is made

Giles - August 14, 2016, 12:26 am

I love this. Make more such great glitches!

Cake Badger - August 14, 2016, 9:02 am

I could possibly arrange going through my PSD if I get the time.

Looks awesome OP! Would love to know how you made that red/dark blue background

hamzasohail - August 14, 2016, 9:12 am

Very nice, when's the movie coming out? ;O)

Suspect Six - August 14, 2016, 9:25 am

Looks nice.

Not liking the chinese japanese text in it tho but still really nice.

Gradient map.

Dark blue for the left tick as it sets the shadows color.

Reddish pinkish for the right tick as it sets the highlights.
