Thread: [What would taste better; deep fried penis or deep fried vagina?](#)

Disclaimer: I am not a cannibal but sometimes have cannibalistic thoughts.

What would taste better deep fried penis or deep fried vagina, these questions need answering..

I reckon penis would taste better and vagina would be very chewy and tasteless.

There was a Japanese male that had his penis surgically removed. The guy was a chef. He cooked it, cut it up and served it to several guests.

Apparently it was pretty good. Some weird people in this world.

Someone posted a thread here yesterday asking "What's the stupidest question you've ever been asked?" I couldn't remember one, but now I think I've found it.

I think GMM have tried both Penis and Pig Anus, not vagina.

A small japanese dick?

It wouldn't even be enough to feed a homeless african child for an day.

Wow this is quite disturbing to read especially after reading this "I am not a cannibal but sometimes have cannibalistic thoughts."

Only this can answer your question:

I feel like this question is best left unanswered.

See, its questions like these which make me question why people like you haven't been put down yet

arigrandebabe - August 14, 2016, 1:40 pm

Penis is very chewy and difficult to eat. Vagina would be too, but probably more edible (and enjoyable) than a penis. It really depends whos penis and vagina ultimately.

minimalist - August 14, 2016, 1:42 pm

Does vagina come with all of the internals or just the outer goodness?

randomUsername25214 - August 14, 2016, 1:45 pm

luzerax - August 14, 2016, 1:49 pm

Some questions shouldn't be answered.

This is one of them.

Frankey - August 14, 2016, 1:59 pm

Am I the only one who is legitimately scared right now? I never thought of eating a deepfreezed penis or vagina and now I do.. this is fucked up. I'm actually taking a walk outside right now to forget this.

No hate to you broda

BR?ND?N - August 14, 2016, 2:01 pm

Well probably the penis. More meat. Not sure how you'd cut off a vagina and cook it...maybe the clit...lips...etc

Man thinking about this makes me want to throw up.
