Thread: [\[FREE\] Thread Design - Perfect for ebook/method salesthreads](#)

Muddy Waters - August 15, 2016, 10:21 am

Hi, I was pretty bored so I decided to design a thread design to give away on this forum! I feel like it's my turn to contribute to the forum a bit now.

Took me about an hour to create in Photoshop.

Disclaimer:

.PSD is very messy I didn't put any time into organizing the layers and packing them into folders.

Simplistic thread design.

Spoiler [\(Click to View\)](#)

Send me a PM if you want the .PSD file! I will send you a PM asap with the download link.
