Techius - August 16, 2016, 8:57 pm

(Aug 16, 2016 10:05 AM)Mr. Pearce Wrote: [\[CITE\]](#) one of those fake threads i think. i pmed but got nothing from this guy!

Obviously you've never heard of people going offline and doing other things. I've sent PMs to people previously. I will continue to send PMs today.

It's a shame I got a negative rep as well, just because I didn't give someone the link on time. EDIT: The guy who negged me didn't even private message me, yet he somehow expected me to give him the link or something. Idk.

Mr. Pearce - August 16, 2016, 9:13 pm

yeah i finally got it. sorry about that. but im not the one neg-repped you

I hope you enjoy the site, and you didn't neg-rep me. Hopefully it didn't look like I was directing my little rant in the end towards you in specific.

Concussive - August 16, 2016, 9:38 pm

I got this site decently quick doesn't seem to be doing the trick but ill give it a bit more time to see whats good.

Not trashing, but a new site won't five you good traffic. Id lets say an old man goes on google he will type kik girls or kik nudes, he will find the most saturated sites and go look for girls there. There's no way he will go on some new site, only experienced users will.

That's why people need to have various traffic sources. This is just another source. Don't rely on a single source.
