I couldn't find this one on here. Its a pretty nice anime

Synopsis

The mighty Katjvarna Empire is currently embroiled in a war with the neighboring Kiorka Republic. Within an unspecified corner of this empire, a certain young man was reluctantly preparing to take the High Grade Military Officer Exam owing to mysterious circumstances. His name is Ikta.

As a man, Ikta abhors war, is slothful by nature, and worships the female form.

At the time, no one could have possibly predicted that a person like him would become a military figure worthy of being called a legendary general.

The young Ikta, armed with his superb talents as a soldier, struggles to survive in a world ravaged by war. This tale will recount his tumultuous life up until this point, as the curtains are drawn for a spectacular chronicle of fantastical warfare!

Currently waiting on the new episode, absolutely love the series so far.

DerMensch24 - August 17, 2016, 7:34 pm

Hm, seems interesting, and its made by Madhouse so I think I'll add it to my PTW list for now and will get to it eventually, thanks for the post ;)

Not really any so far. Doesn't look to be like there will be any.

I like it so far, really unique in a few ways. Character is OP in his own way which is dope.

Is there any magic?

I wouldn't really call it magic but there are some sort of little creatures/companion spirits?
(wind,fire,light,water,...)

they can use different kind of abilities
the light spirit for example can shoot beams of light (searchlight,spotlight,...)

Stashyy - August 18, 2016, 6:06 am

Haven't seen the anime yet. Gonna start watching them later today. :P

Beadsman20 - August 18, 2016, 8:54 am

Magic definitely exists but it's not on the level of like wizards and shit. It's very subtle.

Ye, the spirits is about the extent of the magic.

They're not a very important topic in the big picture of the anime, but they're part of a strategy.

i.e. the wind spirits contracted with some people are able to power air-rifles, and that's what creates their guns.

Is the MC really weak and a fgt?

No, the MC is alpha. But he is weak yes, he is not a fighter, he's supposed to be a general, he's the best there is at strategy.

Been waiting for this thread for over a month now, this anime is great and MC is awesome

MC is a badass, you'll like him.

He's a No Game No Life-type character, that kind of OP.

Ni??c??k - August 19, 2016, 9:27 pm

Bookmarked it but never got around to actually watching it yet.

If I have the free time I will.

Hopefully, I hate dumbass MCs that cry a lot and are utterly useless. Like that one kid from Hero no Academia or whatever. Shit was annoying.

I have no idea why that Anime is ranked so low on MAL as it looks amazing. I'll be watching it once the season ends.

no idea either, don't see whats wrong with it tbh, I rate it at least an 8

Hamekaze - August 20, 2016, 10:55 am

This is something I could get into, but too caught up in a few other animes. Definitely on my watch later list.

Mafty Navue Erin - August 20, 2016, 12:33 pm

I want to start watching this but it honestly seems like a mediocre version of Owari no Seraph. I probably shouldn't judge the book by it's cover though.

Nothing to do with supernatural stuff da fuq

Annoited - August 21, 2016, 6:10 am

I watched the first two episodes and it already seems pretty interesting. The MC seems like a badass and pretty smart too. I think I'll continue this.

Aura - October 8, 2016, 7:44 pm

On Episode 10 and I must say that it's hell of a show. Really underrated, should score higher on MAL that's for sure. 10/10 watch, I recommend it.

Black Dahlia - October 12, 2016, 10:12 pm

This was soooooo good.

10/10 for blowing away my expectations.

This is the best thing that has aired in a long time.

SkullCandy - October 13, 2016, 5:16 am

Looks good, in my PTW now :) Thanks!

Mafty Navue Erin - November 6, 2016, 6:27 am

I picked this up over the past few days and it blew my initial expectations away. I have to say that this anime was very well executed. This was definitely a hidden gem. And that ending really made me eager to see the next season.
